

# Announcing the BeneFlexHR Mobile App!

BeneFlexHR Mobile gives you anytime, anywhere convenience to make the most of your benefits.

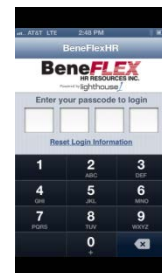

The new mobile app gives you account access and allows you to:

- Check account balances
- File new FSA medical claims
- Upload receipts
- View account activity
- Receive text alerts

*In the future, you will be able to submit dependent care claims on the mobile app as well. Currently, you can submit your dependent care claim online through the Employee Portal at: [www.beneflexhr.com](http://www.beneflexhr.com).*

BeneFLEX HR Resources, Inc. makes it easy for you to install the app. **First**, you must set up your account in the employee portal online at: [www.beneflexhr.com](http://www.beneflexhr.com). **Then**, from your iPhone, iPad or Android device, go to iTunes or Google Play and download the BeneFlexHR Mobile App. You will use the same username and password you use to access your account in the employee portal. iPad users, please be sure to select the iPhone App before downloading from iTunes.

To view a short demo on the features and benefits of our new Mobile App, visit us online at: [www.beneflexhr.com](http://www.beneflexhr.com) and click "EMPLOYEE" and then "BeneFlexHR Mobile Application". Or view our Mobile App FAQs on our website under FSA Education – Frequently Asked Questions.
