General information not applicable

Inhalation Remove from the area of the dust to fresh air. Seek medical attention if you feel unwell.

Skin contact Remove by tapping skin with adhesive surface material, such as Scotch® clear cellophane tape. Wash affected areas thoroughly with soap and water.

Eye contact

Flush eyes with water for 15 minutes.

Ingestion

In the event of deliberate ingestion, do not induce vomiting unless directed to do so by consulting with a doctor.

4.2 Most important symptoms and effects, both acute and displayed

No acute and delayed symptoms and effects known.
